You may also want to learn more about our Liberators programme. Another GVC turnkey solution for those resort/property owners who wish to grab back valuable inventory, or even release all in order to sell or refurbish the property for a new project.

About Global Vacation Club

Global Vacation Club opened our first sales venue in South East Asia Pacific region in early 2017 and has since exploded around the world, currently having active sales operations in 21 countries.

In recent years we have been carefully crafting many of the Clubs new product lines each of them based upon GVC members expectations and requests.

Members can currently frequent over 140,000+ hotel's, properties and vacation options globally once they become a part of Global Vacation Club, so choice is abundant.

As we continue to grow our promise remains firm. GVC will work relentlessly to guarantee our members have the best options available at all times no matter where they wish to go.

Global Vacation Club is one of the fastest growing concepts in today's marketplace, predominantly due to the product range made available to our members.

The Club boasts an impressive array of unique features designed to ensure every member has a unique and special vacation experience every time they go away.

In addition we also offer both high end luxury products along with many lower budget options thus catering to the holiday demands of every family we serve.
