

Planning a Vacation with Global Vacation Club

When booking a holiday with Global Vacation Club, our rule is to keep things stress free. GVC operate a live booking system designed to give members the best possible vacation for the best possible value on every occasion. We also have a best fit policy promise members enjoy. So as you are making a request our team will find you the lowest possible price against the points in your account at all times.

The chart below illustrates a points value based upon the season and unit size required. This varies between the standard of property a member selects. To obtain an accurate points valuation on any property simply contact GVC Reservations or log on to our live chat facility. Our goal is to maximise your points to the fullest every time you go away.

Resorts & Hotels Points Planner

The published points guideline is based on one weeks accommodation only (unless specified) and are subject to availability. However please check with GVC Reservations to find the best fit policy.
